REHAU

RAUVISIO brilliant™ high-gloss acrylic surface creates a space where voyaging beyond the surface becomes part of everyday life. More than a glossy finish, this material transports you with layers of color that illuminate their surroundings, making them swirl with watery fullness.

Features & benefits

- Mirror-like reflective quality
- Decades of UV stability
- Intense color depth
- Chemical and stain resistant
- Up to 60% lower production costs compared to painted components
- Editable with woodworking tools
- Ability to miter fold and cut
- Double-sided finished panel or cabinet door
- Matching floating shelves

Glacier collection

Skate across a prehistoric glacier and allow tension to melt away. Inspired by water rendered solid, our color collection contains a snowy white, grays that freeze peaks of mountainous terrain, and an overall experience that doesn't feel icy. Instead, these colors rise from the deep to create an exalted mood where walking on water is just the beginning.

Bianco 5000B

Cemento 1919L

Gabbiano* 6339B

*Color has directionality

Dune collection

Travel to your personal oasis with warm hues that add a well-traveled glow to any interior. Shaped by the passage of time and the scarcity of water, this shimmery sand-swept collection is exploration incarnate. Take a camelback ride through the Sahara, revel in the sun and bring the mirage home with a surface that glistens from all angles. Step into a postcard-worthy space where time has stopped just for you.

Cappuccino 1917L

Cubanite* 5338B

*Color has directionality

River collection

Mosey alongside a river bursting with life in colors that evoke the trickling sounds of the current. Let the wet, colorful scales of aquatic life wash over your design. Allow whispers from your inner muse to assemble spirited collages in these vibrant tones. Ruminate over life supported by water and the deep imprints left in its wake. Allow the teahouse and elements of the river to flood your imagination and energize your artistry.

Magnolia 5335B

Prugna 5642B

Moro 5112B

Fog collection

Feel the mist of a foggy dreamscape on your face with this collection of gray hues. These hazy colors quiet and transform the surrounding elements much like the landscapes of New Zealand that inspired this collection. Embrace the drops of morning dew, the stillness of water and the bewitching trance that is sunrise. This collection is pure alchemy.

Roccia 2101L

Grafite 2100L

Ocean collection

Feel the sway of the ocean water in surface. The vibes here are all but serene. This collection is a tribute to the Greek gods. Mixed with gray hues that are only revealed seaside or poolside, this collection is an invitation to set your sail and your sights on something wildly luxurious and defiantly sporty. Feel the glassy currents of water that literally lie on our surface and make them a beacon for your next design.

RAUVISIO brilliant technical information

RAUVISIO brilliant high-gloss acrylic surface features a color-matched PMMA layer instead of a clear top layer, giving it intense color depth with decades of UV stability. With tones from tranquil to vibrant, this supremely reflective material is offered as boards and edgeband or fabricated panels and cabinet doors. Double-sided panels and doors are supplied with an MDF core that is CARB2, TSCA Title VI certified and finished with perfectly matched REHAU LaserEdge™. The result: Whites that stay white and colors that remain true, combined with the monolithic aesthetic of a high-end lacquered door. Ride the waves of uninhibited reflection and plunge beneath the surface to colorful depths with RAUVISIO brilliant.

Profile specifications	
Appearance	High-gloss
Door style	Slab and shaker

Top edge	1.0 mm radius
Bottom edge	1.0 mm radius
Edgeband finish	Mirror gloss, color matched
Accessory products	
1/4 in. thick components	Cut-to-size with raw edges
Integrated handle	1-17/64 and 5/64 in (32 and 2 mm)
Floating shelves	22 to 96 in (558.8 to 2438 mm) wide

Slab profile

Shaker profile

**Board specifications**

RAUVISIO brilliant is flat-laminated to a high-quality, super-refined, engineered MDF core that is PEFC, CARB2, TSCA Title VI certified which provides a stable, consistent substrate and virtually eliminates warping.

Edgeband specifications

All components are edgebanded with REHAU LaserEdge, which provides an extremely heat and moisture resistant seamless joint rivaling solid surfaces and exceeds high-end lacquer finishes.

Cleaning and care

Clean with a damp microfiber cloth and mild soap if needed. Do not dry-wipe the acrylic finish. Avoid abrasive cleaners, solvent-based cleaners and harsh chemicals. Do not use paper towels, brushes or scouring pads. REHAU is not responsible for any damage done by abrasive cleaning products or procedures.

Protective coat

A protective peel coat is applied to the top of the high-gloss surface, as well as to the edgebanded sides. Do not expose peel coat to direct sunlight before removal. Remove promptly after installing cabinet but prior to mounting decorative hardware. To remove peel coat, use rubber fingertips or our peel coat removal tool.
